Illinois Community Completes \$2.5 Million Renovation

Faith-based nonprofit Holmstad held a ribbon cutting ceremony to mark the completion of a \$2.5 million renovation project at its Harry Ekstam Assisted Living community in Batavia, Illinois.

The renovations included a main entrance with a new vestibule and lobby, new window treatments, new paint and light fixtures.

Chicago's BLDD Architects provided interior design and structural design services, and Joseph J. Duffy Co. served as project manager for the project.
